Download Free Second Hand The Satin Man

This book, *The Satin Man*, is the result of the ten years that followed, in which Whiticker and Mullins continued their hunt for the truth. It details everything uncovered about the new potential suspect, a man of wealth and position, and sheds incredible new light on this decades-old mystery with vital additional information on the unsolved case.

Book Review: The Satin Man by Alan Whiticker and Stuart Williams This is a most gripping and interesting paperback (208 pages long) dealing with the disappearance of the Beaumont children from Glenelg beach in South Australia. The book provides new evidence about a possible culprit who may have abducted the children on 26 January 1966.
